Dear Ms. Noehren:

It is with sincere appreciation that we write this letter of thanks to you, and to the Colchester Is Kind community.

Your recent contributions to the students and staff at Jack Jackter Intermediate School were overwhelmingly appreciated.

Students were elated to read the kind post it notes left for every single child on their lockers the first day of school. The Martin Luther King, Jr. banner, "What Are You Doing For Others", was inspiring and deeply appreciated by everyone. Additionally, we would like to thank you for the girls care packages you donated to our school.

The message of kindness that the Colchester Is Kind community continuously demonstrates and shares is an invaluable message to all. We thank you for all you do to inspire kindness each and every day.

Sincerely,

Elise Butson
